

Heinemann PD Summer Book Study 2018 Schedule

Kids First from Day One

by Christine Hertz and Kristine Mraz
and ***Being the Change*** by Sara K. Ahmed

This summer, we will enrich our professional conversations through not one but TWO books: *Being the Change* by Sara Ahmed and *Kids First from Day One* by Christine Hertz and Kristine Mraz.

The intersection of these books will be incredibly powerful as we craft our bold and brave steps for next year's classrooms of students. Join us as we think critically about how we can be the change—from day one.
